Yeah alright

There's a church on the corner in a harbor town  
Where the stained glass lets the sunshine through  
When Sunday morning rolls around  
The people come to hear about the truth

The choir sings, 'Amazing Grace'  
Then you could hear the Preacher say

"Love has no walls  
Love needs no space or time  
Reach out your heart", whoa

One day a hurricane swept through that town  
Worst storm you ever did see  
Next Sunday morning when no church could be found  
The people still gathered out in the street

The choir sang, 'Amazing Grace'  
Then you could hear the Preacher sayin'

"Love has no walls  
Love needs no space or time  
Reach out your heart", whoa

'Cause love has no walls, yeah alright  
Reach out your heart  
Yeah oh

There's a church on the corner in a harbor town  
They're singing about Amazing Grace

Love has no walls, alright  
Love needs no space or time  
Reach out your heart, whoa

'Cause love has no walls, yeah alright  
Love needs no space or time  
Reach out your heart, whoa

'Cause love has no walls, yeah alright

Love needs no space or time  
Reach out your heart, whoa
