Album: The It's Now or Never Tribute to Elvis

One night with you,
Is what I'm praying for.
The things that we two can plan
Would make my dream come true.

Just call my name,
And I'll be right by your side.
I want your sweet helping hand
My love's too strong to hide.

I always lived a very quiet life,
I ain't never did no wrong.
Now I know that life without you,
Has been too lonely too long.

One night with you,
Is what I'm now praying for.
The things that we two can share,
Would make my dream come true.

I always lived a very quiet life,
I ain't never did no wrong.
Now I know that life without you,
Has been too lonely too long.

One night with you,
Is what I'm now praying for.
The things that we two can share,
Will make my dream come true...
