In the secret  
In the quiet place  
In the stillness you are there  
In the secret  
In the quiet hour I wait only for you  
'Cause I want to know you more

I want to know you  
I want to hear your voice  
I want to know you more  
I want to touch you  
I want to see your face  
I want to know you more

I am reaching for the highest goal  
That I might receive the prize  
Pressing onward  
Pushing every hindrance aside  
Out of my way  
'Cause I want to know you more

I want to know you  
I want to hear your voice  
I want to know you more  
I want to touch you  
I want to see your face  
I want to know you more

I want to know you  
I want to hear your voice  
I want to know you more  
I want to touch you  
I want to see your face  
I want to know you more

I want to know you  
I want to hear your voice  
I want to know you more  
I want to touch you  
I want to see your face  
I want to know you more
