Artists: Dolly Parton, Pam Tillis, Kathy Mattea,  
Tanya Tucker & Billy Ray Cyrus  
Album : Slow Dancing With The Moon

Spoken:

Come here boy  
Awww baby  
Girlfriend check it out  
Hey, hey, hey,  
Shape up girls.

Sang:

A cross between a movie star  
And a hero in a book  
Romeo comes struttin' in  
And everybody looks  
'Cause he's just got that  
Special thang  
That everybody needs  
And everybody wants him  
But not as bad as me

Hey, Romeo, where art thou  
Get out here on the floor  
I want to dance you darlin'  
'Til you forget wherefore  
Let's two step to a new step  
We'll keep it all in line  
And we'll call this the Romeo  
'Cause your so mighty fine

Chorus

Romeo, Romeo, Romeo come  
Dance with me

That sexy little body  
Beats all I've ever seen  
I ain't never seen a cowboy  
Look that good in jeans  
My temperature keeps risin'  
Every time we meet  
I may not be in love

But let me tell you,  
I'm in heat

Chorus  
Romeo, Romeo, I just know  
I'll get you yet  
Romeo, Romeo, I want to be  
your Juliet

Billy Ray Cyrus:  
So step it high, step it low  
Step it out and in  
Step to the side and let it slide  
Then steppin' up again  
Step on toes, it all goes  
Steppin' as you please.

But I'm one step away  
From love  
So don't step out on me.

Chorus  
Romeo, Romeo, Romeo with  
The magic feet

Check, check, check, check  
Check it out

Billy Ray & Dolly Parton:  
So step it high, step it low  
Step it out and in  
Step to the side and let it slide  
Then steppin' up again  
Step on toes, it all goes  
Steppin' as you please  
But I'm one step away  
From love  
So don't step out on me

Romeo, Romeo, I just know  
I'll get you yet  
Romeo, Romeo,  
Won't you be my Juliet  
Romeo, Romeo,  
Romeo, Romeo

(keeps talking to each other during fade)
