She used to cry when Iâ'd come home late
She couldnâ't buy the lies I told
All she wanted was to be needed
Someone that she could call her own

The love I know I took for granted
Until she walked out of my door
Too little too late to say Iâ'm sorry
Sheâ's not crying any more

Sheâ's not crying any more
She ainâ't lonely any lonter
Thereâ's a smile upon her face
A new love takes my place
Sheâ's not crying any more

I hear sheâ's really doing well now
Sheâ's picked herself up off the ground
I wasnâ't there when I was needed
But I was there to let her down

Sometimes you know I feel so foolish
If I knew then what I know now
Another tear would never all
Cos Iâ'd give our love my all
If we could work things out somehow

Sheâ's not crying any more
She ainâ't lonely any lonter
Thereâ's a smile upon her face
A new love takes my place
Sheâ's not crying any more

Sheâ's not crying any more
She ainâ't lonely any lonter
Thereâ's a smile upon her face
A new love takes my place
Sheâ's not crying any more
Thereâ's a smile upon her face
A new love takes my place
Sheâ's not crying any more
