Always stayed strong, Even When the cross fell, We  
kept on keeping on.  
Backs Against the wall. World tried to knock us down,  
We just wouldnt fall.  
We'll get by somehow, we always do. And thats what  
makes A home, telling the truth. And when the chips  
are down, we'll see it through. And we'll get by  
somehow, we always do.  
Back when we were young, Nothing  
but time to lose, Well Keep Faith in the lord,  
We're forgetting now, what we knew then.  
what Good was it before?  
We'll get by somehow,  
we always do,  
And thats what makes A home telling the truth, and  
when the chips  
are down, we'll see it through,  
and we'll get by somehow, we always do  
Now I come and pray,  
With my head bowed.  
I Give thanks for all your love (yeah)  
As We Move Ahead,  
Just Looking back,  
You know thier saints from up above  
OH We'll get by somehow,  
we always do,  
And thats what makes a home telling the truth, and  
when the chips  
are down, we'll see it through,  
and we'll get by somehow, we always do  
(we always do)  
No, No, No, No.  
oh, We'll get by somehow,  
We Always Do  
oh, yea  
We'll get by somehow, We always do.  
we'll get by somehow.
