Billy Ray Cyrus - You Won't Be Lonely

=====

I know you've seen all your dreams turn to dust  
I know your heart's been left in the rain to rust  
But you won't be lonely now

I see a long trail of tears in your eyes  
Back to the day when the innocence died  
But you won't be lonely now

I wanna give you everything you need  
I wanna show you  
You won't be lonely  
You won't be lonely now

Holding you here like a rose in the dark  
I make this promise to you from my heart  
You won't be lonely now

I wanna give you everything you need  
I wanna show you  
You won't be lonely now  
I'd do anything to make you see  
How I'm gonna love you  
You won't be lonely  
You won't be lonely

Now that you're here in my arms I'm alive  
For the first time in a long time I  
Look at my face in the mirror and see  
The man that I've wanted to be

Oh Yeah

I wanna give you everything you need  
I wanna show you  
You won't be lonely now  
I'll do anything to make you see  
How I'm gonna love you

You won't be lonely  
You won't be lonely You won't be lonely now
