Your touch is sweet  
It brings me to my knees  
Your laugh is real  
It consumes all I feel  
I would die for you  
March the earth 'til I fell through  
Yeah I would die for you  
Pass this life onto a new  
I would die for you  
But I hope it ain't soon  
Love breathes through  
God's hand graced you  
A dream so sweet  
Just one second with you  
Makes my whole world complete  
I would die for you  
March the earth 'til I fell through  
Yeah I would die for you  
Pass this life onto a new I would die for you  
But I hope it ain't soon  
And its always enough  
Your Love cuffs  
It's all I know  
And it's better on top  
This love never stops  
It's all I know  
I would die for you  
March the earth 'til I fell through  
Yeah I would die for you  
Pass this life onto a new I would die for you  
But I hope it ain't soon
