It was the greatest day I had ever seen
All my friends are here
Talking indefinitely about stories you'd hear.
Drinking like there's no tomorrow
That's the way we feel
A girl approaches me her heart on the floor
And she asked me a question I can't reply
Knowing the answer deep down inside
Thinking to myself
Do you want to play
Stay throw it all away
Happy Me
Happy No
Happy you
I see happy
The day is gone and the rain is coming down
I'm lying on my back having a heart attack
Of thoughts I cant control
This girl has got me in pieces
I don't know where to go
And she asked me a question I can't reply
Knowing the answer deep down inside
Thinking to myself
Do you want to play
Stay throw it all away
Happy Me
Happy No
Happy you
I see happy
