A mindless pop song to distract you from the problems
that occupy your
life.

A little story about a man who should have listened to
his own advice.

His eyes were hazel --he worked for public radio and
drove a Chevy truck.

His sister Rachel lived with a man who walked in circles
getting nowhere
fast.

And one fine Sunday, as they were grilling teriyaki it
started raining

-And Rachel Evans looked at her husband and her
brother and started
laughing

Cause on the hacienda the barbecue was slowly filling
up with water.

So they ordered pizza, and listened to a record by
some band from Chapel
Hill.

And they sang: Na na na na na na na na na

Na na na na na na na na na -- mindless pop song

Na na na na na na na na na

Na na na na na na na na na -- mindless pop song

Na na na na na na na na na

Na na na na na na na na na -- mindless pop song
