I been walkin? in the lord  
Been walkin? next to buddha  
Been walkin? with the president  
But I don't know where to go  
Been walkin? with my mother  
Been walkin? with my son  
Been walkin? in the water  
But I don't know where to go

And I think it's been in vain  
And I think it's been in vain

Been walkin? with jesus  
Been walkin? with sting  
Been walkin? with your mother  
She could not tell me a thing

I been walkin? on a sky scraper  
Been walkin? on my hands  
Been walkin? after midnight  
I still don't understand  
Oh but what the hell --that's the way it goes these days  
Oh what the hell --that's the way it goes ...

Been walkin? with the lord  
Been walkin? with the buddha  
Been walkin? with my best friend  
But I still don't understand

Been walkin? in the sunset  
Been walkin? in the stars  
Been walkin? in the forest  
Oh you know where you are

Oh but what the hell --that's the way it goes these days  
Oh what the hell --that's the way it goes these days...  
The way it goes these days ... been walkin? after  
midnight
