Whatever it takes to get inside your heart  
Someone will, I hope it's me  
Whatever it takes to get beneath your skin  
Someone will, I hope it's me  
(chorus)  
The sand on my feet  
And the sun on my face  
Jeune fille in a white sundress

Late afternoon I watch the waves roll in  
Soft and slow against the beach  
I watch you walk down the wooden steps  
Sky grey eyes smile at me

Chorus

And when I talk with her  
I can't understand a word  
She says so sweetly  
But I don't care  
Because I have such a crush on her  
It feels as if she fell from heaven

Midnight in the restaurant  
Ocean breeze, crescent moon  
A song is playing on the radio  
"ma cherie amour" - I think of you

Chorus

And someday I'll walk  
With the sun in my face  
And jeune fille in a white sundress
