I was listening to the radio
I heard a song
Reminded me of long ago

Back then I thought that things
Were never gonna change
It used to be that I never
Had to feel the pain

I know now that things
Will never be the same

[CHORUS]
I wanna go back (go back)
And do it all over
Can't go back, I know
I wanna go back (go back)
Cause I'm feeling so much older
But I can't go back, I know

I recall hanging out
On Friday night
My first slow dance
Hoping that I'll get it right

Back then, I thought I
Would never, ever stand alone
It used to be that a lonely
Heart was never shown

I know now that things
Will never be the same

[Repeat CHORUS]

Ooh, yeah

I know now that things
Will never be the same

[Repeat CHORUS]

I wanna go back
(Go back) do it all over
Can't go back, I know
I wanna go back again
Cause I'm feeling so much older
But I can't go back

I wanna go back (go back)
And do it all over
Can't go back, I know
I wanna go back (again)
Cause I'm feeling so much older
But I can't go back, I know
