[CHORUS]

Baby, when you gonna satisfy me  
Baby, when you gonna satisfy me

I been lonely so long  
Don't know why  
Comes to loving you  
Just get by

Sometimes love  
Is a real good thing  
But tell me, girl  
Where you been

[Repeat CHORUS]

Well, you're the only girl  
That I wanna love  
But the closer I get  
Seems the less we touch

I don't know  
Why you move so fast  
But a man like me  
Could make it last

[Repeat CHORUS]

Just how long can I  
Keep going strong  
Loving you hurts so much  
I've gotta get out of here

And when I'm gone  
(Leaving Sunday)  
Someone who's not as strong  
(By Monday)

Might take your world from me  
(On Tuesday)  
You, you'll think about me

Where you been hiding out  
You got me worried  
You're gonna jump and shout

Baby, when you gonna satisfy me  
(When you gonna satisfy me, yeah)  
Baby, when you gonna satisfy me  
(When you gonna satisfy me, yeah)

Baby, when you gonna satisfy me  
(When you gonna, when you gonna)  
(Let me know)  
Baby, when you gonna satisfy me

Baby, when you gonna satisfy me  
(When you gonna, when you gonna)  
(Let me know)  
Baby, when you gonna satisfy me  
(When you gonna satisfy me)

Baby, when you gonna satisfy me...
