Why hello, my name is Arthur I grew up on the street
where you live
Iâ€™m the kid from all your classes with the greasy hair
and glasses
The one nobody wanted to play with
And I never had to many friends
And I, I play first chair clarinet

All my memories from the playground always waiting
for a beatdown
You really packed a lot in the punch
You know I always found it funny how you said it was
for money
But you knew my mama packed all my lunch

And for years now
Iâ€™ve been planning my revenge
Itâ€™s time to tell you how
This is happening

I knew youâ€™d be surprised
I can see it in your eyes
I, Iâ€™m sleeping with your wife

Well hello, my name is Arthur Iâ€™m a partner at the firm
where she works
She has been my secretary from the very first day that
she transferred
And she once told me that you just canâ€™t
communicate
And sheâ€™s not lying when she says sheâ€™s working
late

And two weeks ago
You werenâ€™t around then
I came over
We used your bed
I knew youâ€™d be surprised
I can see it in your eyes
I, Iâ€™m sleeping with your wife

I worked so hard back then so you and your whole clan

Could copy all my homework and quickly turn it in
You taught me well back then 'bout the proper ways to
cheat
And now you know why all of your children they all look
like me

I knew you'd be surprised
I can see it in your eyes
I, I'm sleeping with your wife
