(Rasaq)

It's Chamillion and Rasaq and we can't be stopped
2 brothers, too clever to ever be knocked
this is soo soo gutta oops did I say that twice?
the chrome mouth made me st-st-stutta
some girls say we look like each other
some girls say we rap and sing a hook like each other
well being that we're brothers that does make sense
that's why we make dollars and them boys make cents
rappings a sport if you ain't convinced
that's why I'm in the booth and some niggas on the
bench
and I'm like A-I I'm thugged out, my pants saggin
and Ay-I gotta stay fly, Ay-I gotta go, gotta make pies
been makin rhymes since I was waist high
Ay-I gotta, go gotta break guys
only 5'8 but I act like I'm 8'5
Ay-I gotta make dough watch my cake rise
gotta bankroll that could make my money get jealous
I hop in the drop looking like a big bunny with lettuce
dullshocks look like 20-inch propellers
not popeye but I got my spinach fellaz when the rims
are spinnin fella look like 4-glass feet
they call me Spindarella

(Chamillionaire)

It's time for a Horror Flick who wanna be the next
sequel?
got beef on wax I'm the wrong nigga to speak to
I drop a cd called "I See Dead People"
and you're carrer will be dead by the next sequel
I been rich cock the minute your chick got
the news that he was rich she hitched on to his cock
Koopaa greet a anger boyfriend wit his fist pop
infact nigga get smacked for knock, knockin at his
block
rich and rude believe me it's so true
you're pockets flat as Eve's face from a Profile fued
if your Jersey's a throw back then its from 1922
then I guess the car you riding in is a throw back too
and if that's a throw back then I guess I am "threwed

forward"

so gorgeous,no spoils,and both doors is
missing door handles ain't ballin like yo boy is
oh Lord its you duckin in a Ford Tarus
no Chorus,Ay I'm wit you brother
we both looking kind of like a Pen-And-Pixil cover
too many diamonds girl I'm too rich to love ya
dich the chick I'm cheatin with to get wit mysterious
mother
I'm so gutta,don't love her,believe me its no biggy
get mo money,mo problems even with no biggie
you want give me my respect its cool,its no biggy
repo-man with the gat I'll give you back what you want
give me
no biggie,Bad boy,Notorious,and Big
was Notorious and Big and Bad Boy my crib
I don't know if your pockets as fat or not
but what you spending I could prolly spend a fact or not
the mix tape God homie the mix tapes I got
got me a bigger street congeration then the Pastor
got,A Men

but Michelle gonna have to wait
the hell with sprewells I'm sittin on Scott' Pippens
tell them to quit traveling the rims will not listen
hmm.the plot thinking the last line was a lie
