Need more friends with wings  
All the angels I know  
Put concrete in my veins  
I'd always walk home alone  
So I became lifeless  
Just like my telephone

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change

Never played truth or dare  
I'd have to check my mirror  
To see if I'm still here  
My parents had no clue  
That I ate all my lunches  
Alone in the bathroom

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change  
There's nothing to lose  
My notebook will explain  
There's nothing to gain  
And I can't fight the pain

Teachers said "it's just a phase"

When I grow up my children  
Will probably do the same  
Kids just love to tease  
Who'd know it put me underground at seventeen  
At seventeen

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change  
There's nothing to lose  
My notebook will explain

There's nothing to gain  
And I can't fight the pain  
There's nothing to lose  
When no one knows your name  
There's nothing to gain  
But the days don't seem to change  
There's nothing to lose  
My notebook will explain

There's nothing to lose  
When no one knows your name  
There's nothing to gain  
And I just died today
