Billy Talent
"The Navy Song"

Time, rolling along with the waves
A thousand miles away
Holding you close in the rain
Seems just like yesterday

Lost up in a faraway place
And in my hand remains
A black and white print of a face
I'll never see again

I gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all

Cut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all

Love, certain till death do us part
I'm drifting in the dark
Wounded and wishing to fall
Into your faithful arms

I gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all

Cut down like lambs at slaughter

Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall

When the tide took them all

Beneath the sky of hate
Beyond the sea of pain
In heaven I will wait
Until we meet again

Go, I gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all

Cut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all

I gave my life to save her
The ocean turned to red
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all

Cut down like lambs at slaughter
Good men were left for dead
In the fall, in the fall
When the tide took them all
In the fall, in the fall
When the tide took them all
