*[Note: There are (at least) 2 versions of this song, one seems to be a demo version, the other the CD version. This is the actual CD version lyrics:]*

Well I tripped, I fell down naked  
Well I scratched my knees, they bled  
Sew up my eyes, need no more  
In our game there is no score

Forgive me father, why should you bother?  
Try honesty, Try honestly  
Hop in your dumptruck, reverse for good luck  
Ride over me, Ride over me  
Take on the whole world, fight with the young girls  
Die tragedy, Die tragedy  
Call me a cheapskate, come on for pete's sake  
Cry Agony, Cry agony

I'm insane, it's your fault, so sly  
Your well of lies ran dry  
And I cut the cord, free fall  
From so high we seem so small'

Forgive me father, why should you bother?  
Try honesty, Try honestly  
Hop in your dumptruck, reverse for good luck  
Ride over me, Ride over me  
Take on the whole world, fight with the young girls  
Die tragedy, Die tragedy

Call me a cheapskate, come on for pete's sake  
Cry Agony, Cry Agony

I talk to you

I'm insane, it's your fault  
Try  
I'm insane, it's your fault  
Cry  
I'm insane, it's your fault  
Cry

Forgive me father, why should you bother now?  
Forgive me father, why should you bother now?

Forgive me father, why should you bother?  
Try honesty, Try honestly  
Hop in your dumptruck, reverse for good luck  
Ride over me, Ride over me  
Take on the whole world, fight with the young girls  
Die tragedy, Die Tragedy  
Call me a cheapskate, come on for pete's sake  
Cry Agony, Cry Agony

Cry Agony, Cry Agony  
Try honesty, Try Honesty  
Cry Agony, Cry Agony

*[The demo version is pretty much the same except for the part "I'm insane, it's your fault" is instead "Insane, Assault", and the part "I cut the chord, free fall", is "I pulled the chord, free fall". As well in the first chorus, only the first 2 lines are said.]*
