Angelique, your name is whispered  
By the passing breeze  
Proclaims your beauty to the tallest trees  
And you're mine, Angelique

Angelique, you stand alone  
'Cause none compares with you  
So far from those who try to be with you  
And you're mine, Angelique

Angelique, your kiss is only like the morning dew  
You smile, the whole wide world, it smiles with you  
And you're mine, Angelique

La, la, la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la

And you're mine, Angelique  
I'll never be with you  
Never ever touch your hand  
So I'll just dream of you  
Lonely in my wonder land

Angelique, when will I ever meet a girl like you  
And if I do, how will I know it's true  
That you're mine, Angelique?
