Dear Angie, just these lines  
To confirm something you may know  
Dear Angie, please excuse the writing  
It's my nerves, you know

When you caught your train today  
You took my heart and soul away  
I can't wait 'til Friday night  
To see you, touch you, hold you tight

Dear Angie, how's your folks and relatives?  
I hope they're well  
Dear Angie, I'm spending my vacation  
At that same hotel

I've known you now for one whole year  
There's something I've not told you, dear

Turned a blind eye for too long  
This letter proves that I've been wrong

Ba ba da, ooh  
Ba ba da, ooh

I've known you now for one whole year  
There's something I've not told you, dear  
Turned a blind eye for too long  
This letter proves that I've been wrong

Dear Angie, I've beat about the bush  
It's time I spoke my mind  
Dear Angie, it's been a long time coming  
Guess I've been unkind

Dear Angie, the writing's on the wall  
Dear Angie, I love you, you're my all  
Guess that's all
