Thought I saw a lady I knew some time before

But I was only dreaming, what's it for?

Thought I was a preacher, speaking to the floor

But I was only dreaming, what's the score?

I was only dreaming, what's it for?

I was only dreaming, what's the score?

Thought I was a robber, standing at my door

Turns out to be a lady from before

I was only dreaming, what's the score?

Was only dreaming, what's it for?

[guitar solo (Joey Molland)]

Was only dreaming, what's the score?

Was only dreaming, what's it for?

Thought I saw a robber standing at my door

Turns out to be a lady

Yes, I saw a lady

Ooh, I saw a lady from before

Lady, lady, lady

[instrumental jam (Joey-lead guitar, Pete-blues harp)].
