Pack my bag, I'm going away
It's over
Going home
Thank you people,
but it's too much to stay
It's done now, I'm going home
Now I feel like I'm warm
Now I feel like I'm tuned
Spent my time and some fun
And for that I thank you
It's over, it's over
It's over. I'm going home.
It's over, it's over
And for that I thank you
Now I feel like I'm warm,
Now I feel like I'm tuned
Spent my time and some fun
And for that I thank you
It's over, it's over
It's over. I'm going home
It's over, it's over
And for that I thank you
