1: ==

no matter what you are, I will always be with you
doesn't matter what you do girl, ooh girl with you
no matter what you do, I will always be around
won't you tell me what you found girl, ooh girl won't you

== 2: ==

knock down the old gray wall, be a part of it all
nothing to say, nothing to see, nothing to do
if you would give me all, as I would give it to you
nothing would be, nothing would be, nothing would be
no matter where you go, there will always be a place
can't you see it in my face girl, ooh girl won't you

== Guitar solo ==

== 2 == (with "aahs")

== 1 == (with harmony)

ooh girl, you girl won't you
