"One More Time"

Visit "[One More Time](#)" on MotoLyrics.com

Got no time for hurryin'
Got some time to kill
Promises I've never made
I'll be on my way
CHORUS:
Make you feel like laughin'
Feel like cryin'
Feel like tryin' one more time
One more time
Look into this heart of mine
Tell me what you see
Love is there for you to find
Love is what you need
CHORUS
Sometimes, your feelings can take you by surprise
Still, you try one more time
You try one more time
[guitar solo (Joey Molland)]
CHORUS
Ooooooh, ooooooh, ooooooh, ooooooh
[cricket].
