Thought I was a man, when I was a man

Thought I was a goner

Get it down, dig on rock 'n' roll

Talk about love, give it a try

Talk about a camera, my my my

Get it down, dig on rock 'n' roll

Rock 'n' roll, it's in my blood

Rock 'n' roll, feel it good

Get it down

Dig it, rock 'n' roll

[guitar solo (Joey Molland)]

[piano solo (Pete Ham)]

Rock, it do me good

Rock 'n' roll, so easy to play

Get it down, dig on rock 'n' roll

I gotta get it down, dig on rock 'n' roll

Oh, get it down. dig it, rock 'n' roll.
