Suitcase suitcase, follow me round  
Bootlace bootlace, tie me down  
Money for fun yeah, golden crowns  
It's all inside a game we've been playing,  
For so long  
Driver driver, go too fast  
Miser miser, make it last  
Pusher pusher, on the run  
And it's all inside a game we've been playing,  
For so long  
I'm sorry to be leaving, it's all I get to say  
I'm sorry to be leaving today  
[solo]  
I'm sorry to be leaving, it's all I get to say  
I'm sorry to be leaving today  
Driver driver, go too fast  
Miser miser, make it last  
Pusher pusher, on the run  
It's all inside a game we've been playing,  
For so long  
So long  
So long  
So long...
