So I just walk out in the rain
So that the clouds could hide the pain
And maybe you will never see
The thousand tears you gave to me

And if the rain should go away
Then in my lonely room, I'll stay
So that the world will never know
How much it hurts to see you go away

So I just live a life of hope
Pretending that I couldn't care
But if you find you cannot cope
Just call my name and I'll be there

If I could live my life again
I still relive those precious times
Although I know there would be pain
It felt so good while you were mine

Be mine)
(Be mine
Be mine

(Be mine)
Be mine

So I just walk out in the rain
(So I just walk out in the rain)
So that the clouds could hide the pain
(So that the clouds could hide the pain)

And maybe you will never see
(And maybe you will never see)
The thousand tears you gave to me
(Thousand tears you gave)

And if the rain should go away
(And if the rain should go away)
Then in my lonely room I stay
(Then in my lonely room I stay)

So that the world will never know
How much it hurts to see you go

And if you ever change your mind
You know, baby, you will find
All my sorrow and my pain
You'll find me walking in the rain
