(Why don't we talk?)
Why don't we talk about it? (Why don't we talk?)
Why don't we talk about it?
(Why don't we, why don't we, why don't we?)
If you knew the way it feels
I know you'd try a little harder
We've been together now for too long to part
Why don't we try (Why don't we try?)
Why don't we try (Why don't we try?)
Why don't we try (Why don't we, why don't we try?)
Just the one more time
If you could understand the way it is
Then we could talk about the difference between us
But who knows, baby, we might still agree
Why don't we talk about it? (Why don't we talk?)
Why don't we talk about it? (Why not eat pork?)
Why don't we talk about it? (Why don't we, why don't we
talk?)
Just the one more time
[guitar solo (Pete Ham and Joey Molland)]
Who knows, baby, we might still agree
Why don't we talk about it? (Why don't we talk?)
Why don't we talk about it? (Why don't we talk?)
Why don't we talk about it?
(Why don't we, why don't we, why don't we talk?)
(Why don't we talk?)
(Why don't we, why don't we, why don't we talk?).
