Well I can't forget this evening
And your face when you were leaving
But I guess that's just the way the story goes
You always smile
But in your eyes your sorrow shows
Yes it shows.
Well I can't forget tomorrow
When I think of all my sorrow
I had you there, then I let you go
And now it's only fair
That I should let you know
What you should know
I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, I can't give anymore
Well I can't forget this evening
And your face when you were leaving
But I guess that's just the way the story goes
You always smile
But in your eyes your sorrow shows
Yes it shows.
{guitar solo}
I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, I can't give anymore
