Give me the sun  
give me the moon  
give me the stars  
with all my love too  
Ooh nothing would matter  
'till you give me you

Give me the sky  
give me the sea  
give me the world  
it's treasures too  
Ooh nothing would matter  
'till you give me you

Tell me what good,  
good are treasures  
beneath the moonlit sky  
When you have left me  
to sit alone in the dark

Give me your lips  
give me your arms  
give me you heart  
and love me too  
I'll be in heaven  
when you give me you

You know I love you  
with all my heart and soul  
Why did you leave me  
out here in the cold?

Give me your lips  
give me your arms  
give me your heart  
and love me too  
I'll be in heaven  
when you give me you
