"A Crazy Little Palace"

That's my home
That's my home
Come in, baby
And make yourself at home
Meet my sister
She's always on the phone
A crazy little palace
That's my home
(That's his home)
Playin' records
And dancing every night
Papa's trying to watch a TV fight
A crazy little palace
That's my home
Mama climbs the stairs
Her days work is done
Everybody's leaving
One by one
The lights are low
The noise is through
At last I'm left

Alone with you
Between kisses
We can plan a home
One like this one
That we can call our own
A crazy little palace
That's my home
Between kisses
We can plan a home
One like this one
That we can call our own
A crazy little palace
That's my home
