I'll get by as long
As I have you
Though there be rain
And darkness too

I'll not complain
I'll see it through
Poverty may come to me
That's true

What, what can I say
I'll get by as long
As I have you

Sure, here we go again
And if there be rain
And darkness too
I'll not complain
I'll see it through

Billy boy, you sure got
A lot of nerve
But what can I say
I'll get by as long
As I have you

I would say oh, yeah
But you know
As long as I have you, sure
