In the cool, cool, cool of the evening  
Tell 'em I'll be there  
In the cool, cool, cool of the evening  
Save your pappy a chair  
When the party's getting a glow on  
And singin' fills the air  
In the shank of the night  
When the doin's are right  
Well you can tell em I'll be there

I like a barbecue  
I like to boil a ham  
And I vote for bouillabaisse stew  
What's that?  
I like a weenie bake, steak and a layer cake  
And you'll get a tummy ache too  
We'll rent a tent or a teepee  
Let the town crier cry  
"All's well!"  
And if it's RSVP  
This is what I'll reply

In the cool, cool, cool of the evening  
Tell 'em we'll be there  
If you need a pair of freeloaders  
To fracture your affair  
I may even give them Pagliacci  
Now stand back and give him air  
If one can relax and we'll have a few yaks  
And you can tell them we'll be there

"Oui," said the bumblebee  
"Let's have jubilee."  
"When?" said the prairie hen, "Soon?"  
"Sure," said the dinosaur  
"Where?" said the grisly bear  
"Under the light of the moon."  
"How about your brother, jackass?"  
Everyone gaily cried  
"Are you coming to the fracas?"  
Ain't gonna blow it

"Over respects," he sighed

In the cool, cool, cool of the evening  
Tell 'em I'll be there  
In the cool, cool, cool of the evening  
Slickum on my hair  
If perchance we look a bit peaked  
Remember c'est la guerre  
If we're still on our feet  
And there's something to eat  
Well you can tell them we'll be there

In the cool, cool, cool of the evening  
Tell 'em I'll be there  
In the cool, cool, cool of the evening  
Better save a chair  
When the party's getting a glow on  
And singin' fills the air  
If there's gas in my hack  
And my laundry is back  
If there's room for one more  
And you need me  
Why sure  
If you need a new face or a tenor or base  
If I can climb out of bed and put a hat on my head  
Well you can tell 'em we'll be there.
