A long time ago  
A million years BC  
The best things in life  
Were absolutely free.  
But no one appreciated  
A sky that was always blue.  
And no one congratulated  
A moon that was always new.  
So it was planned that they would vanish now and then  
And you must pay before you get them back again.  
That's what storms were made for  
And you shouldn't be afraid for  
Every time it rains it rains  
Pennies from heaven.  
Don't you know each cloud contains  
Pennies from heaven.  
You'll find yor fortune falling  
All over town.  
Be sure that your umbrella is upside down.  
Trade them for a package of sunshine and flowers.  
If you want the things you love  
You must have showers.  
So when you hear it thunder  
Don't run under a tree.  
There'll be pennies from heaven for you and me
