In the shadows let me come and sing  
To you.  
Let me dream a song that I can bring  
To you.  
Take me in your arms and let me cling  
To you.  
Let me linger long.  
Let me live my song.  
In the winter let me bring the spring  
To you.  
Let me feel that I mean everything  
To you.  
Love's old song will be new.  
In the shadows when I come and sing  
To you.

Shadows on the wall  
I can see them fall  
Here and there  
Everywhere.  
Silhouettes in blue  
Dancing in the dew  
Here am I.  
Where are you?

(Bing whistles)

In the winter let me bring the spring  
To you.  
Let me feel that I mean everything  
To you.  
Love's old song will be new.  
In the shadows when I come and sing  
To you, dear.  
In the shadows when I come and sing  
To you.
