

Binary Star

"Solar Powered"

Visit "[Solar Powered](#)" on MotoLyrics.com

[Intro]

Our mission is to boldly go, where no MC, or group
has ever gone before -- EVER! EVER!

(What the hell is this shit?) Binary system

{*scratches*}

(What the hell is this shit?) Binary system

[OneBeLo]

Yo, you wack bastards, you wanna know how I killed
your fathers

On the battlefield I grab the steel like William Wallace

A +Braveheart+ swingin my sword's a work of art

Every verse I spark, deserve the Purple Heart

You can't get with the, cold temperature

OneBeLo'll turn a wack artist purple like the Arctic Circle

Frostbit from the words I spit

You ain't got enough raps/wraps in your first-aid kit

to treat yourself, too late, you chose your fate

You beat yourself, cumin like you masturbate

And I won't hesitate to embarrass ya

Cause on the microphone you +Do-little+, like Eddie

Murphy's character

The only paraphernalia I need to rock the spot

is one hip-hop fan, and it don't stop (it's all I need)

Without a mic, without a beat, or a DJ (I don't need that,

I don't need that)

Without a pen, pad, without a blunt, a fifth of E&J (I

don't need that)

Without a doubt I still turn it out without a de-lay

On a track to beat your whole team without a relay

Without a problem, so don't expect nothin lesser

Droppin hip-hop, I blow spots like Uncle Fester

[Chorus]

"Check the ground while my beats just break it down" -

Raekwon

{*scratched*: Binary Star, Binary Star"}

"Check the ground while my beats just break it down" -

Raekwon

{*scratched*: Binary Star, Bi-Bi-Binary Star"}

"Check the ground while my beats just break it down" -

Raekwon

{*scratched*: Bi.. Binary Star, Bi-Bi-Binary Star"}

"Ch-Check the ground while my beats just break it down" - Raekwon

"Lights, camera, ac-tion.." {*scratched*: Binary Star"}

"Yo, you gotta respect them"

[Senim Silla]

Don't hate me cause I'm beautiful or cause my show's live

And your jam's a damn funeral, you wack on the rec' of pharmaceuticals

My usual, you may be feelin me

But the feelin ain't mutual, think you can try

sellin nothin short of delusional, many a guy went there

But to no avail, got you all in +check+

My game will never go +stale+, I got "All the Right Moves"

like Tom Cruise and don't know the definition of fail

I'm constantly on the incline, star goal in mind

Get ours in time, my crew bout to shine

on these cats like UV rays so get your sunblock

Bolted down, ain't no way you can unlock

We concoct the rock from explosive materials

Natural born Sillas that commit acts and serial

We're flamin 'em, and workin around like venereal

Binary, the genuine article, reign imperial

[Chorus]

"Check the ground while my beats just break it down" -

Raekwon

{*scratched*: Bi-Bi-Binary Star, Binary Star"}

"Check the ground while my beats just break it down" -

Raekwon

{*scratched*: Binary Star, Bi.. Binary Star"}

"Ch-ch-check the ground while my beats just break it down" - Raekwon

{*scratched*: Binary Star, Bi-Bi-Binary Star"}

"Ch-ch-check the ground while my beats just break it down" - Raekwon

{*scratched*: Bi-Bi-Binary Star"} "As long as you call us your favorite MC"

[OneBeLo]

Yo, I rock jeans, hip-hop fiends (fiends) blow hot steam (steam)

We got schemes (schemes) the terrorist bomb scenes

It's obscene (obscene) the MC who's not seen

I got dreams, like Don King, PEACE

Binary Star hit you like a SWAT team

As you promotin hip-hop with Noxzem' always talkin

bout you got some +cream+
You make a better slot machine
I make a better flag cause I stay on top of things
I got the means, to generate lots of screams
Bitin MCs like Tyson in the boxin ring
I told you once before not to push me
Word is +Bond+, I'm like 007 in "Octopussy"

[Senim Silla]

The aqua authors, H-2-O flow
Awful aqua that floods the menstrual
It drowns the underground, give tracks to run around
And mics to squeeze play, exhaust the DJ
All in a day's work, doin my slang thang
"Word Play Expert," the title I maintain
Bullets of prize rhymes, novel idealist
Silla's a realist, microphone check 1-2
and so forth, and use the force
Hold down the fort, represent the North
Hold up the torch, make sure the whole world see this
Might (?) walk on water to make believers

[Outro]

"Check the ground while my beats just break it down" -
Raekwon

"Ch-ch-check the ground while my beats just break it
down" - Raekwon

"Ch-check.. check the ground while my beats just break
it down" - Raekwon

{*scratched*: Binary Star, Bi-Bi-Bi..}

"Check the ground.. check, check, check, check the
ground" - Raekwon

{*scratched*: Binary Star, Bi-Bi-Binary system"}

"Check, check the ground while my beats just break it
down" - Raekwon

{*scratched*: Binary Star, Bi-Bi-Binary Star"}

{*scratching till fade*}
