Here's a little story 'bout a very old muffin
She's a sugar when she's on her back
Tellin' old tales of how it used to be
And she said she's covered all the tracks

Laughin' all night
Drinkin' all night
Little Mary holds a naked heart

Showin' no cards
Hidin' no scars
Just you ask just what's inside of her

Such a sad, sad Mary
Sing a song for Mary
Love will find her way back home

Two o'clock dawns
When Mary starts out broke
She's a-rockin' right around the clock
From the New York apple
To the Hollywood city
Mary always finds a twisted plot

Laughin' all night
Drinkin' all night
She's a tattooed jungle star

Living her games
Bridges in flames

And she never thought she'd go too far

Such a sad, sad Mary
Sing a song for Mary
Love will find her way back home

(Solo)

Two o'clock dawns and Mary's gotta run
They say she's ridin' on a Heaven's train

All aboard
Mary, now they say she's blown the whistle
And she's never comin' back again

Laughin' all night
Drinkin' all night
She's a tattooed jungle star

Living her games
Bridges in flames
And she never thought she'd go too far

Just remember Mary
Sing a song for Mary
Love will find her way back home

Just remember Mary
Sing a song for Mary
Love will find her way back home

Sing a song for Mary
Woo woo, hey
