Oh, fuck me

When evening calls
And the black night's down on me

You give your love
For which I take

Blinded by the time I know
This lonely old boy's spinnin' 'round
Time don't wait for me no more
Love don't mean a thing without you girl, yeah

This love I know, yeah
She's tearin' me down inside
This babe I know, I know, I know
And don't make no mistake

Blinded by the time I know
This lonely old boy's spinnin' 'round
Time don't wait for me no more
Love don't mean a thing without you girl, yeah
My touch is in your eyes
Your fire burns inside me
Your healing hands can turn me around
Gonna turn I know

(Solo)

My touch is in your eyes
Your fire burns inside me
Your healing hands can turn me around
Gonna turn I know

Love don't mean a thing without you girl
Love don't mean a thing without ya by my side
Love don't mean a thing without you girl, yeah

Love don't mean a thing without you, yeah
Hey, hey, hey, hey, ooh
Alright!
