JEALOUS HEART

Jealous heart, oh jealous heart stop beating
Can't you see the damage you have done
You have driven her away forever
Jealous heart, now I'm the lonely one

I was part of ev'rything she planned for
And I know she loved me at the start
Now she hates the sight of all I stand for
All because of you, oh jealous heart

Jealous heart, why did I let you rule me
When I knew the end would bring me pain
Now she's gone, she's gone and found another
And I'll never see my love again

Through the years her memory will haunt me
Even though we're many miles apart
It's so hard to know she'll never want me
'Cause he heard your beating, jealous heart

Note: when sung by a female (like Sue Thompson), the word "she" should be changed into "he".
