Sleigh bells ring, are you listening
In the lane snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walking in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?" We'll say, "No man"
But you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland

Over the ground lies the mantle of light
A heaven of diamond in the lovely night

In the meadow we can build a snowman
Then give him a name and call him Parson Brown
He'll say, "Are you married?" And then we'll say, "No man"
But now you can do the job whenever you're in town

Later on we'll conspire
As we dream sittin' by the fire
To face unafraid all the plans that we've made
Walking in a winter wonderland

Sleigh bells ring, are you listening
In the lane snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland
Walking, walking in a winter wonderland
