Boy, I see you.  
See the things you do.  
See you,  
Staring at her, again.

I know I'm the last,  
Person you think could like you,  
But I like you, it's true.  
Boy it's true. (true)

See you,  
Looking at her,  
Wishing you'd look at me,  
Yeah boy I see...  
I see you.

(Chorus)  
Boy, I see you.  
See your eyes looking in the direction of her face,  
Makes me feel so out of place.  
Boy, I see you.  
See you trying so hard,  
To get her to notice.  
But I guess I'll never see...  
You looking at me.

I've gotten sick,

Of you playing your games,  
Dancing around her,  
Putting her pictures in frames.  
Yeah...

Why not try, giving me a little attention, a little respect?  
But what should I expect.  
Because boy, I see you.  
And all you do,  
Is stare at her.

(Chorus 2 times)  
Boy, I see you.  
See your eyes looking in the direction of her face,

Makes me feel so out of place.  
Boy, I see you.  
See you trying so hard,  
To get her to notice.  
But I guess I'll never see...  
You looking at me.

Yeah boy, I see you.
