Invisible

I'm a shadow in the darkness

I move between your dreams and nightmares

I dance within the cries of pain, I suffered from you

I terrorize the core of power deep inside you

I melt the crown you wear

Burning through your skull

For I'm within

I am without but within your fears

In the Core of Darkness

That is where you will find me.

From the Core of Darkness

I'm staring back at you

From the core of Darkness

Staring back at you

Etch 'regret' on the meat of your heart

Suits by Mac Beth, your pen spills their blood

Wear your heart on a chain 'round your neck

So every demon you meet understands

Burning questions

Shatter your reality

For I'm within

I am without but within your fears

In the Core of Darkness

That is where you will find me.

From the Core of Darkness

I'm staring back at you

From the core of Darkness

Staring back at you

[Part 2]

Pure as pain

Pure evil flows through me

I see the darkness ripping through

Open up your eyes and see demise

Of the children who were never meant to be  
Eat their bodies and be reborn once again.

Beasts of heaven are raging toward you

Angels of hell are craving for your flesh  
Drink my blood and rip my heart out

Be my guest and see what I can see  
Eat your flesh and become reborn once again

Beasts of heaven are racing toward you

Angels of hell are craving for your flesh

Beasts of heaven are rising toward you  
Unholy saints they contemplate  
Their thoughts as a dark sacrament

I Eat your flesh and become reborn once again  
Ruler of your Living Hell

[Part 3]

In the Core of Darkness  
That is where you will find me.  
From the Core of Darkness  
I'm staring back at you  
In the Core of Darkness...
