[Verse 1:]

Cold-Bright-Infinite-Light burns.
Strong sense of mortal radiance
Draws me, disintegrates sanity.
Helpless. Unable to resist.

Under attack

Claws leap out from the camouflage of
White on white. The 'Harvest of Iniquities' starts

[Bridge:]

In a time that's not a time
And in a place that's not a place you will find

[Chorus:]

There are no shadows left to hide in
Hear your death knell
There are no shadows left to hide in
Fear wide open in a different hell

[Verse 2:]

White Death. Insanity
Vanity
They hide so quietly-perfectly
The terror of silent carnage
Death will come many times
'Til black honey
Is extracted from it's evil hive
Just pray the truth
Will flow transfused into the void.

[Bridge:]
