Silent walls close in on me  
The darkness stirs lost memories  
Can you feel it preying on my mind  
Waiting...  
Recreating...  
Yeah...

Indescribable fears hold my eyes to the truth  
Of who I really am

Tell me this why is it

That when I look in the mirror  
I see a man with no face

Hollow dreams  
Shattered screams  
Send forth the creature  
That is stalking me night after night

Insanity  
Writhes within me  
Voices bleed the truth  
Of my relinquished destiny

Memories Creep inside  
A stream of blood through the innocent slain  
Cleanses all of my sins  
Slowly...  
Painfully...

Indescribable fears hold my eyes to the truth  
Of who I really am

Tell me this why is it

That when I look in the mirror  
I see a man with no face

Hollow dreams  
Shattered screams  
Send forth the creature

That is stalking me night after night

Insanity  
Writhes within me  
Voices bleed the truth  
Of my relinquished destiny

Beast of pray  
I've become.  
A leviathan in the deepest sea of consciousness  
Insanity  
Writhes within me  
Voices bleed the truth  
Of my relinquished destiny

Kill me!

Pull the trigger  
Free me  
Let me die before I awake

I need... I breed... I bleed... Inhumane innocence

Kill me!

'Deteriorating visions of horrific rituals  
Seep through my skin  
Crashing, y outer defences  
Reminiscence of carnage  
Engraved deeply on my skull  
Resurface one again  
Is there no forsaking  
Is there no awakening?'

Kill me!
