Scar me, condemn me, for all my, redemption
The source of infection
My rights as a man for you
Deny my feeling, my knowing, my being
All I not, forgiven, for my believing?

Can't stop me you wont stop me
Can't break me you wont break me
Can't trust me you wont trust me
Give me cause to fight the system

Truth denied
Truth denied
Truth denied
Truth denied
Truth denied
Truth is denied

I'm the believer, a tainted deceiver
My thoughts are reshaped by the powers that be
Blind me design me construct me instruct me
But you can't refuse what I can see

Can't stop me you wont stop me
Can't break me you wont break me
Can't trust me you wont trust me
Give me cause to fight the system

Truth denied
Truth denied
Truth denied
Truth denied
Truth denied
Truth is denied

Can't stop me you wont stop me
Can't trust me you wont trust me
Can't break me you wont break me

Can't stop me you wont stop me
Can't break me you wont break me
Can't trust me you wont trust me

Give me cause to fight the system
Give me back the truth denied
