Fuck the landlord and the gas bill, we don't give a fuck

We thinkin shit of livin shabby

Waited until my cash got right then took a flight to Cali

Off into the night, me and Dee up into mo' hell

Got into some shit befo' we even reached the hotel

Cause niggaz steady throwin up they gang sign

No loot, no more palm trees, no more calm breeze

So on my hip goes a pager, (?) major

It's two bad behavior bitches that got gangsta flavor

See a punk KILL A PUNK and then we (?) quick

And puttin lead to the, head of my foes on the down

Got a double-bunk and now we roll, fuck footin it

Cruisin down the 'Shaw, smokin joints, cause we blaze

Cause niggaz'll never drop the dirt, do we're layin

Unload the clip off in your chest, take a deep breath

Sleepin on benches, turned us into roquest bitches

We jumpin fences from the feds through puddles and

ditches

Rollin niggaz up like the MOTHERFUCKIN zig zag!

Understand this bitch never (?) mine

Or catch two into your chest with the tec-9
Cause ever since the days, of way back
It never played to let the get go, rat-a-tat-tat-tat
