(Intro)

Everybody got they own way of tellin this but uh
Shitâ€¦
Fuck bitches and get money
That's what you say when you ain't fuckin bitches with
money
Okay

(Verse)

Look, every girl that say she ain't bout that drama
really bout that drama
She tell yea I don't matter but she scream for the
anaconda
I'm leaned up, bout to ench yo mamma, my ench a
mamma behind er
Mortgage payment and a big mistake for love designer
And I find it a little hard to understand
Got a couple grand with the purchase but personally
she ain't got shit
She found me to buy her items and tell em they not
kicks
I find em and more fight em and tell em they not shit
She a opportunist, I'm a Buddhist she a white Judas
Told myself I'd never wife a girl that like to do this
Told myself I'd never like a girl that got her principals
But the intercourse will have you second guessin that
Rap shit in the mall, she capture it all, the feel get
reaction at all
She on like did it all, tell er my girl likes in the ball
To credit card kissalation that a buss in the fit
So I found a girl with some money to suck my dick
Biatch!

(Hook)

Fuck bitches and get money
That's what you say when you ain't fuckin bitches with
money

Alright

I like girls who got they own bank
And they on drank and know what to think
They always be like
Aye fuck bitches and get money
That's what you say when you ain't fuckin bitches with
money

Alright

Found a girl who got a job and ambition on it
Girl who just a product of these bitches homey

(Verse)

Every girl that say she don't want yo commas really
want yo commas
Our conversation seem to revolve around me and
dollars
She hate that we only dine at Caraburr, she like a lotta
Suckin, don't even know how to pronounce
Then cop me a ounce instead
Why you always find a girl that would like to count your
bread?
Cuz out there countin come to head and man that head
astounding
Some rappers round my way will pay for the pussy but
they pussy
Look me in both of my eyes, you can see that look it wa
for free tho
Girls they like the guys playin heroes
With a number on they jerz, they a dirty money with 0's
I used to have this homey pockets swollen
Til these hoes convinced him that the goldie yea wasn't
gold
That's co-sovilic way you tellin it
Picture me payin for some pussy, used to be sellin this,
celibate boy I think not
Something fallic got her analysis of the ink blot
And I think I'm bout to give er mind to think about
And she get paid like a motherfucker

Man you a sucka ho sucka ho
Type to cuff you a ho
Type to pay for the second blow with a couple hundred

Ever see me pay for attention I pray you bust me
Cuss me out, pull the puffy out of your inner bin
Let the beginners lead the scene and quick to
intervene
And man these rappers scheming
A gold digger, sorta like a demon
Except demons pay for they own and they got it
These women fienin, they pockets depletin
Shit, I don't love em
Lately I've been changing my ways and don't even fuck

Cause shit they get attached to they hip, see you with a
bag of chips
Think that's gon be baby, I'm gonna snatch yo wrist you
