[feat. Kendrick Lamar]

[Hook: Jay Rock]

Keeping it G ain't nuttin, you ain't gotta like it cause the  
hood gone love it

You ain't gotta like it cause the hood gone love it

Watch a young nigga show his ass out in public

I got the whole block bumpin

You ain't gotta like it cause the hood gone love it

You ain't gotta like it cause the hood gone love it

Watch a young nigga show his ass out in public

[Verse 1: Jay Rock]

Na na na na now now you know what this is

Tell em it's a celebration bitches

With the barbeque pits and the mini-bikes

Mini-skirts, Hennessys, and the Miller Lights

Domino tables, who got big 6?

Where I'm from we do concrete backflips

Flip flop flip flop flip flop back

To the ghetto's where I bring hip hop back

Real niggas love me, they tell me keep it pushin

The only niggas be for waste out of central bullets

County jails and the lock downs up north

Said I should have it if Scarface pass the torch

That's how they feel Jack, built much more than rap

This that project haircut in the culdesac

This is where ho's ain't front you them boulders at

Meet your quota whenever I put a quote on a track

[Hook: Jay Rock]

Keeping it G ain't nuttin, you ain't gotta like it cause the  
hood gone love it

You ain't gotta like it cause the hood gone love it

Watch a young nigga show his ass out in public

I got the whole block bumpin

You ain't gotta like it cause the hood gone love it

You ain't gotta like it cause the hood gone love it

Watch a young nigga show his ass out in public

[Verse 2: Kendrick Lamar]

From Compton to Baltimore I'm a kill it  
I buy a morgue in a minute  
The public house, the plastic couch of a section 8  
tenant  
The Regal window is tinted  
The air conditioner broke but I'm cool enough to ensure  
you my ride is an Eskimo, huh?  
And I peel off in the midst of getting my clothes off  
And I thrive off energies from the inner cities that we  
lost, huh?  
I'm putting the ghetto on top of my back  
And I live in the back of the jungle  
Lions, tigers, bears, oh my  
Hear the siren, walk up, [gunshot] [gunshot] drive by  
Shooters, looters, federal fed intruders  
The engines on back of scooters  
The real can recognize real and we need to know just  
who you are  
You are in the presence of many presents  
Kendrick the gift for the future oh yeah I said it  
Thug life, good kid mad city mad respect representin  
the hood right

[Hook: Jay Rock]

Keeping it G ain't nuttin, you ain't gotta like it cause the  
hood gone love it  
You ain't gotta like it cause the hood gone love it  
Watch a young nigga show his ass out in public  
I got the whole block bumpin  
You ain't gotta like it cause the hood gone love it  
You ain't gotta like it cause the hood gone love it  
Watch a young nigga show his ass out in public

[Verse 3: Jay Rock]

The home girls tells me I'm the shit  
I break them off so they can buy some outfits  
I buy them sons a pack of peppers, some new joints  
Give em the game, school em on what's really  
important  
It's how I was raised, the og's had me  
13 fresh off the porch, slangin' cabby  
But I'm wiser now, show all my young niggers  
There's other ways you get them dollars and funds  
niggas  
Coming down in an old school, co cool  
Whip like a 5 bar call it so cool  
You don't know the tribulations that we go through  
Put your ears to the speakers I'm a show you  
I paint the picture so perfect  
In my cd you see Mona Lisa in person  
Courtesy of a hunnit beat

Got my crips and esse's at arm reach, 1 1

[Hook: Jay Rock]

Keeping it G ain't nuttin, you ain't gotta like it cause the  
hood gone love it

You ain't gotta like it cause the hood gone love it

Watch a young nigga show his ass out in public

I got the whole block bumpin

You ain't gotta like it cause the hood gone love it

You ain't gotta like it cause the hood gone love it

Watch a young nigga show his ass out in public
