"Nightclub"

Yeah Baby
Out the pound
(Priceless)
Lookin' through
Skyline
(Always)
Sittin' at the top play boy
Sand beach water purple green money ya dig
To the ceiling with it
Jumpin out the pearl white
Long jet maybach

[Verse 1]

Fresh
New pearl on the diamond cluster
More money and we shinin' like a ma'fucker
Come from the bottom where we had nothin'
Grindin' in these streets till we built something
Cash flow
Money on the dashboard
Money in the dashboard
sittin' high ridin' low (shh)
Put a hundred on my son flow
a hundred on that pounds of blow
a hundred on that marble flow
So we higher than a bright light
sunny day sunny night
hustlin' like
all night
doin it to the sun light
gettin' it to this bright light
doin it on them twenty fours
shinin' on them headlights
C-C-Catch me in the nightclub
two tools strapped up, soo woo'n blood
Red flag hopin' out a red jag
pretty red bitch
with a shanell bag

[Chorus]

C-C-Catch me in the nightclub
two tools strapped up, soo woo'n blood
Red flag hopin' out a red jag
pretty red bitch
with a shanell bag
grindin' till the top of the cieling nigga
more money we billin' nigga
more bottle we chillin' nigga

Bitch she bad

Pull up in the harley rally strip paper plates 100

[Chorus]

[Verse 3]
